HEARD IN MIDDLEBURY

How Bad Backs Have Been Made Strong—Kidney Pills Corrected.

All over Middlebury you hear it. Doan's Kidney Pills are keeping up the good work. Middlebury people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow the Middlebury citizen's advice and give Doan's a chance to do the same for you.

Melvin E. Damon, 9 Weybridge street, Middlebury, says: "I suffered from pains in the small of my back and when I over worked, the attacks were more severe. I did not rest well and when I got up in the morning, I felt miserable. The kidney secretions were irregular in passage. Two boxes of Doan's Kidney Pills restored me to good health."

AFTER ALMOST THREE YEARS PASSED, Mr. Damon said: "I have had no kidney trouble since Doan's Kidney Pills rid me of it and I gladly confirm my former endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Damon has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—adv.

AUTOMOBILE KILLS COWS.

A Burlington automobile, hurrying into Williamstown gulf at dusk Sunday night, left a trail of dead cows in its wake, after colliding with a small herd belonging to the George Sprague farm. One cow was killed outright and another had to be shot, as a result of the mishap. The owner of the automobile is G. Frederick Jones, according to the license directory. Before the driver could stop his car, two cows were hit. Two men who said they were driving the cows down from a hill pasture appeared on the scene at once. Apparently the cows, with the men at their heels, were coming down through a wooded path that joins the main road and the first cows to reach the highway were hit by the auto.
